# OUR COFFEE STORY

Celebrating every coffee moment

## Our Coffee Story

Coffee has a deep-rooted history in Portugal, dating back to the 18th century. The café culture in Portugal is about more than just the coffee itself; it's about socializing, spending time with friends, and enjoying the relaxed atmosphere of the local cafés. It's a cherished tradition deeply ingrained in the Portuguese way of life.

At COSTA NOVA, we hold a deep appreciation for coffee's global significance in various cultures throughout history. Over the years, we've crafted a wide array of coffee cups in diverse shapes, colors, and collections to celebrate every coffee moment.
