

high
performance

Vintage design and versatile look.

Sophisticated items that create a strong and beautiful visual impact.

The large beads that adorn this collection are very resistant to impact.

The range is finished with a very strong glaze.

The combination of Pearl items creates a sophisticated buffet staging.

The Pearl collection was inspired by the richness of the 18th and 19th century European ceramics. Round shapes with highly resistant beads were reinvented to create a new classic concept, that is, at the same time very contemporary and versatile. The combination of Pearl items creates a sophisticated event setting. Its dinnerware impacts purely by its appearance, but it is also its global outstanding performance that should be highlighted.
