

high
performance

Alentejo combines a rim with a high degree of chip resistance and a glaze conceived to prevent metal marking. It exhibits high resistance to impact (0.11 J to 0.16 J), as well as metal marking and food staining.

COSTA NOVA
PORTUGAL

Alentejo celebrates the peaceful feeling of the southern Portuguese landscape, filled with vast plains and olive trees. This collection is presented in two soft colors that mix and match and lend themselves perfectly to a variety of food styles.
