ECOGRES

Made of recycled stoneware, Grespresso Ecogres presents itself as a sensorial and sustainable collection of espresso cups. Inspired by World's craft and cultures, the hand-finished patterns featured on each cup emphasize the tactile and artistic nature of the collection. We're expanding our Grespresso Ecogres collection with World of Coffee, featuring three unique designs inspired by Vietnam, Kenya, and Colombia. This collection not only pays tribute to coffee's history but also aligns with our sustainability commitment. In an era where global coffee consumption is on the rise, we place a growing emphasis on making it more environmentally responsible. Our reusable cups crafted from ecogres offer an eco-solution for enhancing your coffee service.
