

distinctive  
design

The Marrakesh collection items showcase rims with a high degree of chip resistance (from 0.11 J to 0.16 J) and robust glaze surfaces designed to prevent metal marking.

  
COSTA NOVA  
PORTUGAL

Designed by the French floral artist Christian Tortu, the Marrakesh collection harmoniously blends sustainable craftsmanship, nature's essence, and Moroccan mystique.

Inspired by the enchantment of the Majorelle Gardens, the collections delicate floral forms invite diners into a sensory journey. Infused with the vibrancy of Moroccan markets, the distinctive interplay of speckled glazes and sandy, unglazed textures adds a unique touch to your culinary creations. Imagine, as you set the table, a play of radiant light elevating each dish—the colorful glossy glaze of the plate beneath gently casting its glow upon the unglazed surface of the item placed above, painting an exquisite interplay of brilliance and shadow.
