

NEW 2024 COLLECTION

MARRAKESH

Designed by the French floral artis Christian Tortu, the Marrakesh collection harmoniously blends sustainable craftsmanship, nature's essence, and Moroccan mystique.

Inspired by the enchantment of the Majorelle Gardens, the collections delicate floral forms invite diners into a sensory journey. Infused with the vibrancy of Moroccan markets, the distinctive interplay of speckled glazes and sandy, unglazed textures adds a unique touch to your culinary creations. Imagine, as you set the table, a play of radiant light elevating each dish- the colorful glossy glaze of the plate beneath gently casting its glow upon the unglazed surface of the item placed above, painting an exquisite interplay of brilliance and shadow.

Made of Ecogres, Marrakesh isn't just an aesthetic choice; its an invitation to showcase your dedication to sustainability.
