

# PEARL

The Pearl collection was inspired by the richness of the 18<sup>th</sup> and 19<sup>th</sup> century European ceramics. Round shapes with highly resistant beads were reinvented to create a new classic concept, that is, at the same time very contemporary and versatile. The combination of Pearl items creates a sophisticated buffet staging. Its dinnerware impacts purely by its appearance, but it is also its global outstanding performance that should be highlighted.

high  
performance

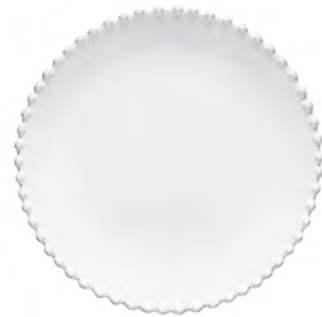

## FEATURES & BENEFITS

- The large beads (that adorn this collection with elegance and class) are very resistant to impact.
- The range is finished with a very strong glaze.
